ATTENDING THE QUEER MARKET

The Queer Market on 9th November will take place in the “stage room”, which is only accessible via a staircase (approx 5 steps). The inclination of the stairs being too steep, we strongly advise not to try using the portable ramp, which makes the space unsuitable for wheelchairs.

Additionally, the space will probably be very busy, and circulating will be difficult for Fat Folks and people with mobility issues.

ACCESSING THE CHILL ZONE

A chill zone will be made available during the Queer Market on 9th November in the Capri Room. The space is accessible via a small staircase (approx 5 steps). The inclination of the stairs being too steep, we strongly advise not to try using the portable ramp, which makes the space unsuitable for wheelchairs.

GETTING A MASSAGE

Massage services will be offered during the Queer Market on 9th November in the “Care room”. The space is accessible via a small staircase (approx 5 steps). The inclination of the stairs being too steep, we strongly advise not to try using the portable ramp, which makes the space unsuitable for wheelchairs.

HAIRDRESSERS, DENTAL JEWELRY, AND CARD READING

During the Queer Market on 9th November, two hairdressers, a dental jeweller, and a card reader will offer their services in the bar, which is accessed by ascending 2 steps. A portable ramp is available on request.
